We are grateful for this honour to serve Meadowvale Muslim Community and thank you for your trust. We take this responsibility very seriously and we promise you, we will work very hard and follow arm's length procedures to safeguard the interest of MIC at all costs.

We are passionate about this Mosque and in love with MIC concept of having our own Place of Worship in Meadowvale Community not just for us, but also for our future generation.

All MIC Members are looking upon us to build this Centre as soon as possible. We want to make sure this Dream Come True for all of us. We request all Members to expect hurdles but don't get discouraged. Inshallah, We will do whatever humanly possible to bring transparency, openness, integrity, harmony, brotherhood and sisterhood amongst us. We believe, Together we are strong!
