JUMA ANNOUNCEMENT JUNE 26th, 2009

- MIC Management and volunteers work entire last weekend to perform necessary repairs to plumbing that has caused flooding in the Women's bath which destroyed our main Masjid Hall at lower level. In addition to repair to plumbing, we also have water penetration problem in the lower level that very often wet the carpet. Our dedicated volunteers have cut the floor concrete and have installed a drainage system to avoid future problem.
- MIC Management apologizes to all Brothers and Sisters for this inconvenience because our volunteers were not able to finish the necessary work because the concrete is still not cured. We have to replace the floor framing, ceiling work and new carpet in Masjid's main prayer hall. We have limited volunteers and it is hard for all of them.
- MIC management request brothers and sisters to come forward and volunteer as we need to finish the work by this weekend. Insha_Allah. Please contact Br. Shoaib Imran who is managing the Masjid Repair Team.
- We are seeking donation for plumbing repair, and replacement of broadloom in the Masjid Hall and Stairways. Any brother or sister involved in carpet supply and installation business, please contact MIC management.
- MIC management is having an Open House tonight, June 26th, 2009 between 6-8PM at Meadowvale Islamic Centre to learn about Summer Camp 2009 activities for children. We encourage you to bring your family and children to the open house and light refreshments will be served. MIC Project, Funding and CRA updates will be provided by the MIC President.
- If you have any questions pertaining to funds or project, please contact the MIC management. It is your Masjid, Get Involve!
